Compared to the B-tariff under which one can choose when to drop-off and pick-up the child within the fixed time periods, the C-tariff sets limitations. Under the C-tariff the drop-off time has to be chosen in such a way as to guarantee that the child attends the crèche no longer than 5.5 hours and to be picked-up on time.

! Blocks of time that must be complied with!

- **Drop-off in the morning: 06.45h – 09.00h**
- **Drop-off at noon: 11.00h**
- **Pick-up at noon: 12.15h – 14.00h**

„Chinderchrattä“ Regulations

A Regulations on admission and tariff fixing

1. The crèche management decides on the admission of each child; in case of doubt, the executive board of the association will decide.
2. The following will be admitted to the crèche:
 - a) Children from 8 weeks after birth until they start nursery school.
 - b) Children who regularly attend the day care centre two half days per week for at least 4 months.
 - c) Children from outside the canton of Graubünden (weekly residents) are charged the maximum contribution. In exceptional cases, the board decides on admission to the day care centre.
 - d) When entering the nursery, parents can choose between a fixed or flexible care contract.

Fixed contract: The child must be present at least two half days or one full day per week. In case of 100% occupancy, the child receives 2 days per month for vacations. In addition, each family receives 6 joker days per year. Additional care days can be obtained after consultation with the daycare center management, if occupancy permits.

Flexible contract: The child must be present at least two half days or one full day per month. No donated vacation days or joker days are offered with this contract. In order for scheduling to take place, the desired days must be announced by the 15th of the previous month. Additional days can also be offered at short notice, if occupancy permits.

3. Reservation fee for a childcare place:

A reservation fee is charged as soon as the childcare place has been confirmed by the Chinderchrattä and the parents have verbally reconfirmed this.

The following reservation fee will be charged:

 - 1st month free of charge
 - 2nd - 3rd month 1/4 of the monthly bill
 - 4th - 6th month 1/3 of the monthly bill
 - from the 7th month 1/2 of the accruing monthly invoice

The reservation fee will be invoiced with the first care.

There is also the possibility of being placed on a waiting list, which is free of charge. No fixed day of care is guaranteed on this waiting list.

4. The daily rate is based upon the provided rate of the taxable income plus 10% of the provided rate of taxable assets. This tariff is to be approved by the canton every year.

The maximum rate applies if the required documents (written authorization or definite tax assessment) are not provided. The tariffs are reviewed and adjusted once a year.

5. There are two more care possibilities, except from the day crèche (tariff A: 11.25 hours): max. 7.25 hours (tariff B) or maximum 5.5 hours (tariff C).

Sibling discount: The child who attends the crèche most frequently pays 100% of the tariff; all other siblings pay 70%.

6. Upon conclusion of the care agreement an admission and deposit fee is due. The invoice is issued monthly and to be paid in advance.

7. The foster care relationship may be terminated by either party with three months' notice, on the 15th or at the end of any month. No suspension may be made during the notice period. Parents who do not have their child cared for in the Chinderchrattä until kindergarten entry must also observe the three-month notice period. The notice of termination must be sent in writing to the accounts department and the day nursery management.
